Amy: I will be on press with Indigo this week. I may or may not be back on Thursday. If you were planning on doing the UPC, you will not be able to make it for the March 3 factory trial. We will also need 10 weeks from approved art to get the foil emboss. (Did you get any of the correct size comps in yet?) If you want to talk about, I can be reached at 804-989-1617.
